

REAL-TIME VIDEO STREAMING

ICOP LIVE™

REAL-TIME SITUATIONAL AWARENESS

ICOP LIVE™ provides real-time situational awareness during crisis situations by streaming live video to first responders. ICOP LIVE provides live high quality video streams from a law enforcement vehicle to multiple viewers simultaneously (and to multiple devices).

HIGH QUALITY VIDEO STREAM

Stream quality video and audio to multiple viewers simultaneously.

NO SOFTWARE

View ICOP LIVE video streams from virtually any device (including laptops, cell phones, PDA's, etc.) without software installation on the receiving devices (requires internet-enabled Windows® device).

VIEWABLE ANYWHERE

Video streams can be shared locally, across agencies, nation and even world-wide.

REAL-TIME LIVE VIDEO / AUDIO

ICOP LIVE supports proactive decision-making capability based on real-time situational awareness in crisis situations, to optimize the outcome.
